

YEARS OF INNOVATIVE THINKING
SAYENKO KHARENKO

**YOUR TRUSTED PARTNER
FOR DOING BUSINESS IN UKRAINE**

WE HELP **EXPLORE** INVESTMENT OPPORTUNITIES

New commercial realities have reshaped investment patterns on the global map. Investors will keep a closer watch on opportunities in Ukraine in the following sectors within the next five years:

- Agribusiness
- Energy
- Infrastructure
- IT
- Hotels & Recreation

WE CREATE **ADDED VALUE** BY HIGH QUALITY NETWORK OF CONTACTS

The anti-corruption platform declared by Ukraine's President and Government provided foreign and local investors with a new approach to Government Relations. This applies to communicating with regulators and lobbying interests in a transparent manner compliant with FCPA and UK Bribery Act. Maintaining trusted relationships with top local business groups, Parliamentary Committees, Ministries, and industry associations enables investors to influence and shape the regulatory environment for doing business in Ukraine.

- Local, regional and central Government Relations
- Stakeholder outreach
- Business Intelligence
- Regulatory Impact Assessment
- and more

WE HELP **INVEST WISELY**

You invest enormous time and energy dealing with projects. We tell you where to find great opportunities. We help invest wisely while remaining opportunistic.

- Market strategy consulting
- Pre-investment feasibility studies
- Involvement in the project at the planning stage
- Investment and tax structuring that would work locally
- Outreach to stakeholders and decision-makers
- and more
